What We've Built

In just 2-years, SAAJCO has taken on:

- Challenging H-1B presidential proclamation
- Filing litigation against halting immigration benefits
- Submitting an amicus brief in Supreme Court birthright citizenship case

What We're Building

SAAJCO is developing the national legal and community infrastructure needed for long-term impact:

- Expanding Access to Justice through Resource Line
- Building a National Pro Bono Network
- Launching *"Belonging is Our Resistance"* community initiative
